47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

NO to price hikes! That will increase my internet and telephone service. You need to wake up and take all people in consideration. Lower income people can not afford your pricey service. I am a senior citizen and deserve to have affordable internet and telephone service!!! Just keep your fingers out of this. Why are you so greedy?
